

MetroSouthDigital on the go!

Apple

1 Open Safari and type MetroSouthDigital.health.qld.gov.au in the browser.

2 Tap the  share button in Safari (the icon with a rectangle and an arrow), swipe until you find 'Add to Homescreen'.

3 Tap the 'Add' button. The icon will appear on your home screen as an app shortcut on your homescreen.

Android

1 Open Chrome and type MetroSouthDigital.health.qld.gov.au in the browser.

2 Tap the menu button and tap 'Add to Homescreen'.

3 The icon will appear on your home screen like any other app shortcut.
